***I would like more information about the Prayer Tent. What results were obtained from this strategy***

**Prayer Tent:**

- Distributed the team of 12 in 4 groups.
- Evangelism takes place every Saturday.

- 27 people located in cell groups.
- 7 people sent to the Life Class.
- Average of 420 people won in the month.

- No, every Saturday we go to different places.
- Places include: Hospitals, colleges, universities, etc.

# DISCIPLE & SEND

DAY 2

So Moses' father-in-law said to him, "The thing that you do is not good. Exodus 18:17

- The ministry that endures is that which forms leaders.
- You must choose people of character, of good attitude and who want to be challenged through goals.
- It is important to first teach and then choose.

#### **How should I raise effective leadership? Numbers 11:16-17**

- As a disciple is so is their leader. The spirit that is in the leader, that same spirit will be in the disciple.
- Select
- Involve.
- Impart.
- Share.

#### **Why is it important to train new leaders? 2 Kings 6:1**

##### **1. If I form new leaders, the results will be multiplied.**

- It is important to have a good work environment. (Meeting of 12)
- Your team's level of motivation is the level at which you've challenged them

##### **2. Through them the right spirit is transmitted.**

- You have to impart the right spirit and enter a new level.

##### **3. Why train good leaders?**

- Your twelve should be a support to doing the work and not an impediment.
- It's useless if we don't form and send leaders.

## Q&A SESSION

**Ps. Knolly Shadrache:**

***What does ‘involve them so that you can choose them as part of your team’ entail?***

- The Vision must be developed in every cell.
- Disciples must do the work with their leader.

**Ps. Knolly Shadrache:**

***Is your wife doing the same dynamic as you are?***

- We’re both doing it.

**Ps. Giovanni Berhиту:**

***Is it possible that people from other churches attend Destiny Training?***

- There’s no problem, you can help a lot of people.
- The important thing is to make it clear to them that they remain in their church and we will only be supporting them.

***What is usually done with non-attendance in Destiny Training?***

- We follow-up absences through leaders.
- Teachers should also be on the lookout for class attendance.

***How do you set clear goals in teams of 12?***

- Not all twelve are on the same level to set a single goal.
- A goal cannot be turned into a demotivation.
- Identify the measure of faith of each disciple and thus be able to establish achievable goals. It is not a goal for each disciple, but a maximum of two goals in general for two levels.

***What to do with people who are in a cell for a long time and then leave?***

- It is important to keep in touch with those who have these situations.
- It is necessary to have people linked to the church.

The background is a deep blue gradient with subtle, glowing white particles scattered throughout. On the left side, there are several thin, white, wavy lines that curve and flow downwards, creating a sense of movement and depth.

# CELL GROUPS

DAY 3

Now let me sing to my Well-beloved a song of my Beloved regarding His vineyard: My Well-beloved has a vineyard  
On a very fruitful hill. He dug it up and cleared out its stones, and planted it with the choicest vine. He built a  
tower in its midst, and also made a winepress in it; So He expected it to bring forth good grapes, but it brought  
forth wild grapes. “And now, O inhabitants of Jerusalem and men of Judah, Judge, please... Isaiah 5: 1-5

- We are in times of acceleration and visitation.
- You can't go out into battle without a strategy, a plan, a roadmap, and a guide.
- Each of us has a responsibility for what God has given us.

**How can we make a cell fruitful?**

- Pray, believe and visualize that what God has given you will bear fruit.
- As pastors we are that leadership that will carry out God's purpose.
- The Vision G12 is that fertile hillside as a strategy to bear fruit.
- God designed us to be competent and fruitful leaders.

**FUNDAMENTAL ASPECTS OF A CELL GROUP**

**1. God takes the cell and fences it:**

- He cares for and protects it so that it will grow according to God's purposes and this purpose will be fulfilled.
- A church grows when its cells are strong and cared for.

**2. Clear it of Stones:**

- It is necessary that people be cleansed in the cell group, that they have an encounter with Jesus.
- That arguments be removed in the cell, so that they can have the revelation of the cross.
- The leader must watch over every person in the cell.

**3. Plant:**

- May the cell that is planted bear the best fruit.
- The leader must sow love, understanding, friendship, advice, time.

#### **4. Build a tower:**

- This represents the supervision of cell groups.
- The leader and the pastors must be those watchmen who supervise what is done in the cell groups.
- What is not seen in the sanctuary is because it is not being carried out in the cell group.
- Supervision brings growth.

#### **5. The Winepress:**

- Work character into your twelve and leaders.
- Bring out the best in our leaders so that they bear fruit.
- God expects fruit and multiplication from our cell groups.
- We must train our leaders and disciples.
- The fruit that the Lord expects from our ministries and cells is the fruit that the Lord Jesus gave.
- God expects fruits of character, effort, dedication, commitment, seriousness, loyalty, and faithfulness.
- God will bestow as fruits, the gifts and fruit of the Holy Spirit.

## **Q&A SESSION**

#### **Ps. Charl Marais:**

##### ***Is a cell group more effectively fruitful when we first meet people before bringing them to church?***

- The cell group is what gives you the most fruit.
- It is important to affirm people in their homes through the cells so that they attend church and the ministry grows.

#### **Ps. Wes Richards:**

##### ***How can we motivate people to lead cell groups?***

- It is important to first work on their needs and then take them on to leadership.
- It is necessary to work in the hearts of the people.
- Work according to the character of each disciple.

##### ***How can we lead people to serve Him and dedicate themselves to the service of God?***

- It is God who puts that desire in people's hearts.
- You have to take them and challenge them if they really want to serve God.
- We are required to be intentional and form disciples.
- Whoever is passionate for God, God will give them fruit; God doesn't give fruit to a person who is not passionate.

#### **Ps. Giovanni Berhиту:**

##### ***How can children be involved in Vision?***

- Children become involved in vision when we are attentive to them.
- Having meetings with these ages is important to be able to take them to the vision.
